

REMARKS

Applicants appreciate the allowance of this application.

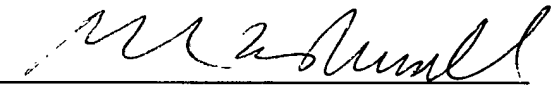

Upon review of the file, Applicants noticed that foreign patent 2,180,313 (see publication AK on the Form-1449 submitted on September 14, 2001) incorrectly listed the country as Germany. This indication is incorrect and the correct country is France. Applicants request that the PTO correct this error when printing the patent document to avoid any confusion on the part of the public. As this change does not affect the claims, as allowed, entry of this response is requested.

It is believed that no fee is required for the consideration of this document. If, however, a fee is due, the Director is authorized to charge such fee to Deposit Account 50-0320.

Entry of this response is requested.

Respectfully submitted,
